Regulatory 101: **How to Navigate through Section 10 of the Rivers and Harbors Act and Section 404 of the Clean Water Act**

The U.S. Army Corps of Engineers North Dakota Regulatory Office is holding a workshop for the general public to provide information on the Regulatory Program. The workshop is open to all interested parties including the regulated public, consultants, environmental organizations, and Federal, state and local agencies. The workshop will focus on the Corps' Permitting Overview including permitting authority under the Clean Water Act and the Rivers and Harbors Act. North Dakota Project Managers will be presenting, and staff will be present to answer questions. There is no charge for the workshop, but space is limited to 40 people. Please register for the workshop by emailing Ms. Patricia L. McQueary, ND State Program Manager, patricia.l.mcqueary@usace.army.mil or at CENWO-OD-RND@usace.army.mil with the subject line reading "Regulatory Program Workshop" and your name, organization name, email and telephone number in the body of the message. Your email should be received by **March 14, 2016**.

If you signed up for the workshop and later find you are unable to attend, please notify us at 701-255-0015 as soon as possible so that another may attend.
