LABOR STANDARDS ENFORCEMENT REPORT
(Reports Control Symbol SAOAS-41)

1. Purpose. This memorandum covers the submission of the semi-annual subject report.
2. Applicability. This memorandum is applicable to all Area and Resident Engineer Offices of the Omaha District.
3. Responsibilities.
 - a. A semi-annual report of enforcement of labor standards regulations is required. The report will cover the 6-month periods ending 31 March and 30 September of each calendar year.
 - b. Since the consolidated report for each 6-month period must be compiled and transmitted to OCE not later than the 15th of the month following the ending date, all reports from field offices must be submitted to Office of Counsel, Attn: Labor Relations, on or before the 10th of the month following the reporting period.
 - c. All field offices will prepare and submit reports on MRD Form 0190, which may be requisitioned from the stockroom.
