### **NOTICE OF REISSUANCE GENERAL PERMIT 79-02 AMENDMENT #5**

The U.S. Army Corps of Engineers, Omaha District, is reissuing General Permit 79-02 to the Nebraska Game and Parks Commission. See the attached copy of the permit for the project description and permit conditions. Two designs have been added: (1) boulders; (2) vortex rock weir. Two special conditions have been added: (1) No work under General Permit 79-02 may occur in a Wild and Scenic River unless the National Park Service has determined in writing that the particular activity will not affect the Wild and Scenic River designation or study status. (2) Any work in a Section 10 waterway will be coordinated with the appropriate Corps of Engineers project office.
