Northern Arapaho indicated the project would have adverse effect to historic properties likely to have cultural significance to Northern Arapaho and requested Tribal Monitoring. Northern Cheyenne indicated project would have no effect. SD SHPO recommended that USACE fully consider effects of the project on all recorded sites within the APE.	No Adverse Effect to Historic Properties - 09/23/2024	12-Sep-24	13-Oct-24	09/23/2024; 09/23/2024.	Phone Call; email.	SD GF&P; SD SHPO	SD GF&P requested information on the project timeline. SD SHPO Concurred with No Adverse Effect Determination.	Omaha.	USACE contacted Northern Arapaho offering to arrange for their Office to send Tribal Monitor(s) for the project and indicated they would be immediately contacted in case of Inadvertent Discovery. USACE provided an estimated timeline to SD GF&P. USACE concurred that all sites should be considered per SD SHPO's request, and provided detailed information in the subsequent submittal.
